SINGAPORE HANDBALL OPEN TOURNAMENT

SHOT 2019
26 DECEMBER TO 28 DECEMBER 2019

SHOT 2019

Handball Federation Singapore is proud to say that **Singapore Handball Open Tournament (SHOT)** is the largest international handball tournament in Singapore. It has successfully held the event annually since 2013 and we have seen an increasing amount of athletes in the Handball scene over the years!

HFS greatly welcomes the different countries that will be participating with us this year, Uzbekistan, Saitama(Japan), Hong Kong, Malaysia, Thailand and Taiwan.

HFS main goal is to give a platform for handball athletes to improve in their skills as they compete against different countries of a higher level, exhibit sportsmanship, fighting spirit and most importantly enjoy the atmosphere and gameplay.

SHOT

President's message

This is an important year of handball in the South East Asia region as it is the first time that handball has been added on to the SEAgames. Although, it is the beach handball category, it presented a great exposure for the game of handball to be publicised across the media. This will also have an impact on our games moving forward. I am happy to take this opportunity to highlight that the current edition of SHOT may be looking at the last of its kind this year. The federation and committee is planning towards this competition to be a biannual event where we toggle between indoor and beach handball in alternate years. This is to support the flow of the growing movements for beach handball and ensure that we continue to serve as a regional hub for such competitions.

Lastly, I wish all the teams good luck and ask the best for their games.

Vice-Presidents message

It gives me great pleasure to welcome you to the 7th edition of the Singapore Handball Open Tournament. I would like to take this opportunity to extend a warm welcome to all athletes, coaches and officials. It is the strong commitment to Handball, and to the development of our youth, that we have all gathered here in our sunny island of Singapore during the festive period of Christmas! .

This event speaks for the commitment that all of us hold for the sport. I am sure that we will witness handball performances of the highest quality over the course of this tournament. Do your best and compete in the spirit of sportsmanship and fair play and take the opportunity to come closer to each other.

I would like to share with you this quote from Jesse Owens, the legendary American athlete who won four gold medals in the 1936 Summer Olympics in Berlin, Germany. It goes like this, "Friendships born on the field of athletic strife are the real gold of competition. Awards become corroded, but friends gather no dust."

Each of you will pit your skills and talents against your opponents from other teams. But I encourage you to also make the most of this wonderful opportunity to showcase your best athletic talent and spirit of comradeship. I think few will dispute that sports make you strong, healthy and teaches us to accept defeat and celebrate victory. These lessons later become building blocks of success in life.

In closing, I wish everyone the best of luck, success and good health. To borrow the our motto, "Make Every Shot Count!"
Thank you very much.
